## Strong Support for All Types of Business

The Integrated Telephone System combines function and design to meet a wide range of business situations. All required functions are designed based on special business specifications and ensure extremely easy operation.

### Outstanding Features with Built-In Quality

#### New business-use ITS

New business-use ITS

In order to reliably support everyday business activities, the KX-TS880 features a wide range of indispensable functions, a comfortable handset, convenient 3-line LCD, Caller ID and 2-Step Tilt Angle.

#### 10 One Touch Speed Dial Key

30

10 one-touch speed dial numbers are ideal for storing emergency or frequently dialed numbers. You can also store and retrieve 20 phone numbers for two-touch speed dialing. A total of 30 speed dial numbers will save you searching and dialing time.

#### Caller ID\* and Speaker Phone

KX-TS880 is suitable for Caller ID service. The 3-Line LCD displays caller's information. You can know who's calling before you answer.

\* Requires subscription to Caller ID service by a telephone company.

#### 2-Step Tilt Angle

The 2-Step Tilt Angle allows easy adjustment when the telephone is placed on a desk. Careful engineering and design ensure easy use while minimizing user inconvenience.

#### Wall Mountable

There's no need to worry if you can't find a suitable place to put your KX-TS880. You can mount it right on the wall for functional use.
